(3) Where, under this By-law an applicant or licensee is to be tested, the Department responsible for the testing shall conduct the test or provide an opportunity for taking the test, and provide the Issuer of Licences with the test results.

(5) The Issuer of Licences may send notice of the comments or other response from the Departments received under this section to the applicant or licensee.

12.(1) Subject to (2), the Issuer of Licences shall:

- (a) refuse to issue the licence, where a policy under section 15 requires refusal or where approval of the licence under the policy would put the public safety at risk;
- (b) refuse to issue the licence where the requirements for the applicant and applicable licence under this By-law, including those imposed by any Schedule or conditions to be met, are not met, or where it is determined that the application is incomplete or contains false or misleading information, the fees have not been paid, fines for convictions under the Provincial Offences Act are due and unpaid, or that a prohibition or other court order made upon such conviction have not been complied with by the applicant or licensee, or

(d) approve the licence where (a), (b) or (c) do not apply, or where Council has approved issuance of the licence.

(2) The Issuer of Licences shall refuse to licence and not approve an application for a licence for a business under subsection (1), where a response received from a Department under section 11 indicates there is a non-compliance with this By-law or other law, or will be such non-compliance if the business is allowed to operate.

(3) Where the Issuer of Licences refuses to issue a licence under this section, a dated, written notice shall be sent to the applicant or licensee of the refusal of their licence, and the ground(s) on which such refusal is based.

13.(1) Subject to (2), the applicant or licensee is entitled to a hearing before the Licensing Committee where the decision of the Issuer of Licences is to refuse a licence, and the parties to such a hearing shall be the City and the applicant or licensee.

(2) To obtain a hearing before the Licensing Committee over the refusal to issue a licence, the Applicant or licensee shall within thirty days from the date contained in the notice sent under subsection 12(3) above, file a written request for a hearing with the Secretary of the Licensing Committee together with the grounds for appeal of the decision of the Issuer of Licences, which request shall include any change to their address for receipt of notice of the hearing.

(3) The Secretary, where written request of applicant or licensee meeting the requirements and time limits in subsection (2) is received, shall schedule a hearing before the Licensing Committee, and send written notice of the hearing to the parties, which notice may be personally delivered or sent by regular or registered mail.

(4) A hearing under this section shall be commenced by the Licensing Committee within 60 days from the date of receipt of the notice under (2).

14.(1) The Issuer of Licences may recommend that a hearing be held to consider whether a licence should be revoked or suspended, where the Issuer of Licences finds:

(3) Council may direct the Issuer of Licences to send a written notice to the Licensing Committee to hold a hearing for revocation or suspension of a licence, or the attachment of conditions to a licence, on the grounds as provided for in this section, sections 17 or 18, or upon the ground that the conduct of a person, or in the case of a corporation, its officers, directors, employees or agents affords reasonable grounds for belief that the person will not carry on or engage in the business in accordance with the law or with honesty and integrity, or will not do so without the imposition of conditions or a suspension.

(4) The recommendation of the Issuer of Licences shall be in writing and contain the grounds upon which the licence is recommended to be suspended or revoked, and be sent to the licensee and the Secretary.

(5) The licensee is entitled to a hearing before the Licensing Committee into the recommendation of the Issuer of Licences, and the parties to the hearing shall be the City and the licensee.

(6) Where the Secretary receives the recommendation of the Issuer of Licences or City Council to hold a hearing, the Secretary shall arrange a hearing date with the Licensing Committee and send written notice of the hearing to the licensee and the Issuer of Licences.

(7) The written notice in (6) shall include or attach the grounds as provided by the Issuer of Licences or Council.

15. The Issuer of Licences shall use and apply the policies, where applicable, to the decision to deny or approve licences with or without conditions, or to recommend revocation or suspension of licences, which policies are attached as Appendixes "C" and "D" and form part of this By-law.

16.(1) The Licensing Committee shall hold a hearing in respect of the matter as arranged by the Secretary.

(2) The Licensing Committee may consider the Statutory Powers Procedure Act, R.S.O. 1990, Chapter S.22, in respect of the hearing and conduct of hearings, the failure of the applicant or licensee to attend the hearing, and its decisions and recommendations.

(3) The Licensing Committee shall have regard to the following matters where relevant, as may be raised at a hearing:

- (a) this By-law and other applicable law;
- (b) circumstances and facts raised by evidence of the parties;
- (c) the legitimate business interests of the applicant or licensee; and
- (d) whether the business is or will be carried on in compliance with the law, and whether the conduct of the person, or in the case of a corporation, the conduct of its officers, directors, employees or agents affords reasonable grounds for belief that the person will not carry on or engage in the business in accordance with the law or with honesty or integrity.

(4) The Licensing Committee, after a hearing or opportunity for a hearing is provided, may recommend that a licence be granted or refused, suspended or revoked, and may recommend to Council the imposition of conditions, on the grounds for such decisions provided for in this By-law.

(5) The Licensing Committee shall forward a report to Council on the final decision arising from each hearing or opportunity for a hearing.

(6) After Council has made a decision in respect of the recommendation of the Licensing Committee, the Secretary shall send notice of a decision to refuse, revoke or suspend a licence to the applicant or licensee by personal delivery, or to their last known address by registered mail, and such revocation or suspension is effective upon such notice being mailed or personally delivered.

17.(1) Council in its discretion, after considering the report of the Licensing Committee from a hearing, may grant or refuse a licence, suspend or revoke a licence, or impose or attach conditions all without a hearing, having regard to the matters considered by the Committee at the hearing in subsection 16(3), and having regard to this By-law or other applicable law, which discretion shall be exercised on the grounds set out within this By-law, or upon the ground that the conduct of a persons, or in the case of a corporation, its officers, directors, employees or agents affords reasonable grounds for belief that the person will not carry on or engage in the business in accordance with the law or with honesty and integrity.

(2) The grounds in subsection (1), include the grounds in this By-law which permit the rejection of an application for a licence, the refusal of a licence, the issuance of a conditional licence or the attachment of conditions to a licence, or grounds upon which the Issuer of Licences may recommend revocation or suspension of a licence.

(3) Council may direct the Licensing Committee to hold a hearing or give an opportunity for a hearing, and in respect of a hearing or opportunity for a hearing that has already occurred may direct a new or further hearing, on such issues as Council may specify.

(4) Where the decision of Council is to issue a licence or conditional licence the Issuer of Licences shall respectively, issue the licence or issue the conditional licence, on the terms directed by Council.

(5) When the Licensing Committee has held a hearing and reported to Council, and City Council has made a decision to deny or revoke a licence, or to refuse the renewal or transfer of a licence, any re-hearing or hearing with respect to that licence shall be not considered for one year from the date of Council's decision.

18.(1) In its decisions under section 17, Council in its discretion, may also attach conditions to obtaining, continuing to hold or renewing a licence, including conditions attached to the ending of a suspension of a licence, as may be provided for in this By-law, on the grounds specified in this By-law and in particular this section and section 17.

- (f) supply information for verification of evidence given at a hearing; and
- (g) such other conditions, on the grounds that they are reasonably required to ensure the persons carrying on the business do so in accordance with the law or with honesty and integrity.

(3) Conditions requiring changes to hours of operation of a business under (2) above, may be made where such change will reduce nuisances caused by operation of the business as raised by the hearing, after taking into account the legitimate business interests of the applicant or licensee, the history of the operation, and any reasonable or effective plan of the applicant or licensee to reduce the nuisances.

(4) The Issuer of Licences may issue a licence with specified conditions, where a policy under section 15 provides for such issuance and conditions.

(5) The applicant or licensee shall meet the conditions imposed on the licence or approval of the licence under this By-law, and failure to do so shall allow the denial, revocation or suspension of the licence under the terms of this By-law.

(6) An applicants or licensees failure to meet a condition imposed under this By-law is deemed reason to deny a licence, and the Issuer of Licences shall deny such licence if the condition is required to be met before issuance of the licence and is not met and in which case section 12(3) shall apply, and otherwise the failure by the applicant or licensee to meet a condition imposed is reason for the Issuer of Licences to recommend that the Licensing Committee hold a hearing to consider revoking or suspending the licence under section 14.
